1. Overview of the application review process

Drinkwater called the meeting to order at 5:00 p.m. He provided an overview of the application review process. The Request for Proposals for the Collaborative Health Sciences Program (released February 2013) resulted in 27 preliminary applications. Following review by the PERC Executive Committee, PERC invited 10 applicants to submit full applications. Each of the 10 applications was assigned to two expert reviewers. Reviewers independently evaluated their assigned applications over the past month and provided scores and comments. Following a discussion of all 10 applications today, the review panel will develop a ranked list of applications for consideration by PERC, which will decide on the finalists to be interviewed. PERC expects to make two or three awards.

2. Adjournment-Closed Session: Pursuant to Wis. Stat. 19.85(1) (c), (e) and (f) to consider the faculty finalists for the competitive Wisconsin Partnership Program Education and Research Committee Collaborative Health Sciences Program. The meeting is expected to reconvene into open session.

There was a motion, approved by unanimous vote, to adjourn the meeting to closed session pursuant to Wisconsin Statute 19.85(1) (c), (e) and (f) to consider the faculty finalists for the competitive Wisconsin Partnership Program Education and Research Committee Collaborative Health Sciences Program.

Following discussion of each of the 10 applications, a ranked list was developed using an average of the final scores of the reviewers present. Reviewers with conflicts left the room during discussion and did not score the relevant proposal. The ranked list will be presented to PERC on July 29, 2013. At that meeting, PERC will decide which applicants to invite for interviews.

There was a motion, approved by unanimous vote, to reconvene into open session.

Drinkwater adjourned the meeting at 7:00 p.m.
