Welcome and Overview
♦ Call to order
♦ Introductions
♦ Overview of strategic planning process and OAC’s role

Data on the Health of Wisconsin’s Population
♦ Review Healthiest State reports
♦ Opportunities: Where do the data suggest opportunities for improvement?
♦ To what extent is this information confirmed by what we hear in our communities?

Envisioning Success for OAC’s Initiatives and Programs / Working Lunch
♦ If the initiatives and programs in OAC’s next 5 year plan are successful in impacting the health of the state, what will that look like?
♦ What relationships, resources, and new ideas will we need to leverage to achieve this success?
♦ What indicators will help us measure OAC’s success?

Summarize Our Discussions
♦ What themes have emerged today?
♦ What are our next steps?
♦ Written meeting evaluation

Adjourn to OAC Business Meeting

Persons with disabilities who need accommodations to attend the meeting should contact the Wisconsin Partnership Program office at wpp@hslc.wisc.edu or 608-265-8215.
