The following are instructions for TRIUMPH applicants to create and edit their TRIUMPH application through the FluidReview website. Please direct any questions to the contacts, below.

If you are new to using FluidReview: 1. Go to medwisc.fluidreview.com 2. On the right, under “Need An Account?” click “Sign Up” 3. Fill in your basic information (this will not be copied to the TRIUMPH application, it is just for accessing FluidReview). Under “Category,” select “TRIUMPH Program” from the dropdown menu. 4. You will see a list of the tasks you need to complete for your application. These tasks do not all need to be completed at once, and you can edit your Personal Information Sheet at any time. When you come back to the website, you will see your application, along with a “View/Edit” button. Click this to edit anything you have previously completed, or to complete tasks you have not started yet.

If you have used FluidReview before: 1. From your medwisc.fluidreview.com homepage, select “Create New Application.” 2. Select “TRIUMPH Program” for the dropdown menu. 3. Complete the tasks as you have for previous SMPH programs.

For all Students: The deadline for you to complete your Personal Information Sheet, essay questions, and upload of resume and letter of support is midnight on the due date. At that time you will no longer be able to edit your application. Interviews will be conducted in early January, with final decisions made by early February.
