Elliott Fisher, MD, MPH
Professor of Medicine, Community and Family Medicine, Dartmouth Medical School, as he discusses:

Accountable Care Organizations: Implications for Mental, Physical, and Community Health

Thursday, February 25, 2010
5:30 pm - 6:30 pm
1325 Health Science Learning Center

Reception/refreshments starting at 5 PM in the Atrium

Dr. Fisher is a nationally recognized health care researcher whose work has had a major impact on current thinking about health care and health care reform. As the Principal Investigator on the Dartmouth Atlas of Health Care, his research has demonstrated that higher spending regions and health systems in the U.S. do not achieve better outcomes or quality. He has served on the National Advisory Council of the Agency for Healthcare Research and Quality (AHRQ) and was recently elected to the Institute of Medicine.

Accreditation Statement: The University of Wisconsin School of Medicine and Public Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation Statement: The University of Wisconsin School of Medicine and Public Health designates this educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
