Noon - 12:45 PM
Student Research Poster Session
HSLC Atrium

3:00 PM
Opening Remarks
Robert Golden, MD
Dean and Vice Chancellor for Medical Affairs
1306 HSLC

3:15 - 3:45 PM
SHAPIRO GUEST LECTURE
A Tale of a Physician Scientist:
Making a Move on Inflammation
Anna Huttenlocher, MD
Professor, Pediatrics and Medical Microbiology and Immunology
UW School of Medicine and Public Health
Anna Huttenlocher is a Professor in the Departments of Pediatrics and Medical Microbiology and Immunology. As a physician scientist she directs the University of Wisconsin MD/PhD program (MSTP). She is an internationally recognized scientific investigator whose basic science research program has made paradigm-shifting discoveries in the biological understanding of critical cell migration and inflammation, processes that are important in the pathogenesis of human disease. As an active clinician, Dr. Huttenlocher provides compassionate care for patients with a wide array of autoimmune diseases.

4:00-5:30 PM
Student Research Podium Presentations (Concurrent Sessions)
1306, 1325, 1335 HSLC

5:30-6:00 PM
Reception for Students, Mentors and Guests
HSLC Atrium

Support for the 11th Annual Medical Student Research Forum is provided by the Department of Academic Affairs, the Herman and Gwendolyn Shapiro Foundation, and the Wisconsin Medical Alumni Association.
