Mission
Advancing health without compromise through:
• Service • Scholarship • Science • Social responsibility

Dean
Robert N. Golden, MD, Robert Turell Professor in Medical Leadership; UW-Madison Vice Chancellor for Medical Affairs

History
• Founded in 1907 as a two-year basic science program
• Became a four-year institution in 1925
• Moved into Health Sciences Learning Center in 2004
• Became the School of Medicine and Public Health in 2005, signaling its transformation into the nation’s first school to fully integrate medicine and public health

Educational Programs
• Doctor of Medicine (MD), including Wisconsin Academy for Rural Medicine (WARM) and Training in Urban Medicine and Public Health (TRIUMPH) programs
• Doctor of Physical Therapy (DPT)
• Doctoral (PhD) and master’s (MS) degrees in basic, clinical and population health sciences
• Graduate Medical Education, including clinical residency and fellowship programs in 70 specialties
• Master of Genetic Counselor Studies (MGCS)
• Master of Physician Assistant Studies (MPAS)
• Master of Public Health (MPH)
• Medical Scientist Training Program (MD/PhD)
• Postdoctoral training
• Professional Development in Medicine and Public Health (Continuing Medical Education) programs

People
Faculty and Staff
Clinical adjunct track ............................................................ 1,087
Clinical health sciences track...................................................652
Clinician teacher track ............................................................. 528
Tenure track ............................................................................450
Academic staff......................................................................... 2,112
University staff .........................................................................643

Students and Trainees
Doctor of Medicine (MD) .......................................................... 673
Doctor of Physical Therapy (DPT) ............................................. 118
Master of Genetic Counselor Studies (MGCS) ......................... 12
Master of Physician Assistant Studies (MPAS) ....................... 110
Master of Public Health (MPH) ............................................... 125
Master of Science in basic sciences ........................................ 59
Medical Scientist Training Program (MD/PhD) ....................... 71
PhD in basic sciences.............................................................. 580
Postdoctoral fellows............................................................... 222
Professional development/CME participants ......................... 38,795
Residents/fellows, clinical ...................................................... 736
Undergraduates taking classes at SMPH ......................... 7,042

Facilities
Four major sites on the UW-Madison campus:
Health Sciences Learning Center
• Education, administration and health sciences library
  (Ebling Library)
Medical Sciences Center
• Education and research
Clinical Science Center
• Education, research and patient care
  (University Hospital, American Family Children’s Hospital and Carbone Cancer Center)
Wisconsin Institutes for Medical Research
• Interdisciplinary research

Affiliated Institutions
• UW Health is an integrated health system serving more than 600,000 patients each year in Wisconsin, Northern Illinois and beyond with approximately 1,500 physicians, six hospitals, and more than 80 outpatient sites. Governed by the UW Hospitals and Clinics Authority Board, UW Health supports the patient care, research, educational and community service missions of the UW School of Medicine and Public Health.
• Aurora BayCare Medical Center, Green Bay
• Marshfield Academic Campus, Marshfield Clinic
• Milwaukee Academic Campus, Aurora Healthcare, Milwaukee
• SSM Health St. Mary’s Hospital, Madison
• UnityPoint Health - Meriter, Madison
• Western Academic Campus, Gundersen Health System, La Crosse
• William S. Middleton Memorial Veterans Hospital, Madison
Funding

Extramural Research Support (FY 2015-16)

Federal awards ................................................. $194.4 million
Non-federal awards ......................................... $161.4 million
Total ................................................................. $355.8 million

Grants obtained by SMPH faculty constitute 38 percent of total grants to UW-Madison during 2015-2016.

Expenditures by Source of Funds (FY 2016-17)

Federal and non-federal grants ................................ $258 million
UW Medical Foundation ..................................... $135 million
State and university .......................................... $79 million
Hospital and affiliates ...................................... $53 million
Gifts and endowments ...................................... $56 million
Other ................................................................. $37 million
Total ................................................................. $618 million

Wisconsin Partnership Program (FY 2016-17) awards:
Community awards ......................................... $5 million
Faculty awards ................................................ $8.3 million
Total ................................................................. $13.3 million
