Finding an Academic Partner

Community Impact Grant applicants looking for academic partners may be able to find appropriate contacts through the various schools, centers, institutes and offices at the University of Wisconsin System's 13 universities. The list below is not exhaustive but will hopefully offer a starting place for applicants.

The Wisconsin Partnership Program also strongly encourages applicants who need help identifying an academic partner to connect with Program Officers Aimee Haese (alhaese@wisc.edu) and Kattia Jimenez (k jimenez@wisc.edu).
